**JANUARY 19, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 17**

## THIS TUESDAY

Mark Stanley, Executive Officer or Marybeth Vergara, Conservancy Project Development Analyst with the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy ("RMC")  
Topic: What is the RMC and what does it do.

## LAST TUESDAY

Our speaker was Luz Quinnell with the San Gabriel and Lower Los Angeles Rivers and Mountains Conservancy.

Luz spoke mostly about the Los Cerritos Wetlands Stewardship Program and Land Trust. This is a area consisting of 172 acres including Wetlands Habitat Restorations, Guided Nature Walks, El Dorado Audubon Bird Walks, and the popular Wetlands Kayak Tours.

The Los Cerritos Wetlands Land Trust for Long Beach and Seal Beach was incorporated in 2001 by dedicated individuals who grasped the vital importance of the Los Cerritos Wetlands and the urgency of saving and restoring what remained of this unique estuary. In the ensuing years, their organization and membership have grown. Today, they have upwards of 1,000 members.

Their name and mission have become known to environmental groups and schools, the City of Long Beach and governing agencies of California, such as the California Coastal Commission, the Department of Fish & Game and the California Coastal Conservancy, as well as Federal agencies such as the Department of Fish & Wildlife and the Army Corps of Engineers. They are working with the Los Cerritos Wetlands Authority (LCWA) and each of its entities—City of Long Beach, City of Seal Beach, Rivers and Mountains Conservancy and the California Coastal Conservancy—to restore recently acquired portions of the Los Cerritos Wetlands.

Rich Wenzel is announcing Ronald McDonald Meals of Love will take place on Wednesday, February 3. The theme is pork with the Main Dish by Bob Rodenbucher and Sue Matchett, Salad by Rich Wenzel and Steve Montesanti, Bread by Dave Seltman, Drinks by Dan Snell, and Dessert by John Gera and Ron Dorazio. Cloverly Elementary School will provide food for March and April. Special thanks for those scheduled will have those months off.

## STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the happy students was Emperor teacher Mr. Greg Giangregorio.

**Hannah** is 11 years old and in Mr. Giangregorio's class. She has an older sister and enjoys soccer, basketball, hamsters, and dogs. She also has an interest in Ancient Civilization. Hannah said, "The best things about Emperor Elementary are the holiday parties, the library full of good books, and the nice assemblies." The best thing that ever happened was when she got her first ever dog. If she could change one thing, it would be to stop wasting water. Personal goals are to build a system where you can put all your unused water into a bucket to be used on your plants, get into a good college, become a world league soccer player, and stay healthy and fit.

**Michelle** is 11 years old and in Mrs. Scanlan's class. She has three older brothers and enjoys soccer and volleyball. Michelle said, "The best things about Emperor Elementary are spending time with her friends, learning in an easy way, and the really awesome teachers." The best thing that ever happened was going to Six Flags Magic Mountain. If she could change one thing, it would be to not have so much homework. Personal goals are to build an underwater see-through tunnel, get all A's, become super good at soccer, and spend more time with her family.

**Jessica** is 11 years old and in Miss Trieu's and Mrs. Geis' class. She has an older sister and enjoys art, volleyball, and playing the guitar. Jessica said, "The best things about Emperor Elementary are the helpful and supportive teachers, interesting subjects, and kind friends." The best thing that ever happened was going on a vacation to Europe and spending quality time with her family. If she could change one thing, it would be to have no more bullies. Personal goals are to build a machine to cure cancer, receive all A's, get into an Ivy League College, and read at least 100 books in 2016.
