"THE CAMELLIA CLUB"
TEMPLE CITY CALIFORNIA
Chartered August 8, 1939

FEBRUARY 2, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 19

THIS TUESDAY

Temple City Unified School District Superintendent of Schools Kathy Perini will be our featured speaker. Kathy is also a member of our club. She will give a update of the schools..

LAST TUESDAY

Our speaker was Deborah Enos, Deputy Executive Officer with the Watershed Conservation Authority.

Watershed Conservation Authority's (WCA) vision of Connecting Communities with Nature embraces a 'work with nature' approach to watershed enhancement to improve water conservation and supply reliability, as well as providing increased access to open space and recreational opportunities within the San Gabriel and Lower Los Angeles Rivers Watersheds. This vast and varied area includes mountains, valleys, rivers, coastal plain, wetlands and coastline, as well as the Puente Hills, Montebello Hills, San Gabriel Foothills, Angeles National Forest, and the newly established San Gabriel Mountains National Monument.

In pursuing its mission, the WCA has acquired six properties along three urban rivers, totaling more than 376 acres, ranging from wilderness open space to urban river parkways in various stages of planning and development for future public use. Additionally, the WCA partners with local and regional entities to implement plans and projects to improve our watersheds and invest in open space, parks, trails, bikeways, greenways and urban greening programs and projects.

Since People For People is no longer servicing the community, thought has to be given to the upcoming Postal Food Drive in May. Rich Wenzel did some investigation and it was decided to give the food the to Foothill Unity Center in Monrovia. You might have seen them recently in the Honda Helping People ads.

Ronald McDonald Meals of love will take place this Wednesday, February 3. The theme is pork with the Main Dish by Bob Rodenbucher and Sue Matchett, Salad by Rich Wenzel and Steve Montesanti, Bread by Dave Seltman, Drinks by Dan Snell, and Dessert by John Gera and Ron Dorazio. As a THANK YOU to these angels of mercy, Cloverly Elementary School will take March and April. A big THANK YOU to those that have given of themselves to help others.

Dan Snell reported that he saw someone riding his bike on Rosemead Blvd. He opted for the sidewalk rather than the protected bicycle lane. Mike Lepore paid for his grandson's birthday.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the happy students was their teacher Mrs. Karen Hsieh.

April is 11 years old and has two younger sisters. She enjoys running, and riding her bike around the block. April said, "The best things about Longden Elementary are my awesome teacher, Mrs. Hsieh, teachers help students when its needed, and the great education they give us." The best thing that ever happened was when my mother had my two younger sisters. If she could change one thing, it would be to let people be free from countries that are at war. Personal goals are to build a homeless shelter that would provide education for children and heathy food, get good grades, making my mom proud, and finishing her homework before 6 p.m..

Arianna is 11 years old and has a younger sister. She enjoys baking, art, music, and collecting Paris stuff, coins, and action figures. Arianna said, "The best things about Longden Elementary are my friends, my teachers, recess and lunch." The best thing that ever happened was when her little sister was born and she was able to hold her for the first time. If she could change one thing it would be to stop world wars and bring peace. Personal goals are to build a huge animal shelter for stray animals, get good grades, attend a university, and buy a house.

Kyle is 11 years old and has a younger brother. He enjoys video games, reading, swimming, basketball, and writing. Kyle said, "The best things about Longden Elementary are the good teachers, really big campus, and the library." The best thing that ever happened was when he got his dog. If he could change one thing, it would be more rights for pets, like going out of the house by themselves and returning. If he could change one thing it would be to build a gadget like a phone that can grant you ten wishes. Personal goals are to support all the animal shelters, be a successful author, and become a professional chef.
