FEBRUARY 9, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 20

THIS TUESDAY

We will not be meeting at the infamous Denny's this Tuesday. We will have our special Valentines dinner at the Old Spaghetti Factory in Duarte (Buena Vista and 201 Freeway). Social is at 6 p.m. and dinner at 7. Since we will not have our minimum of 25 guests we are allowed to order off the menu. The cost is \$15 per dinner.

LAST TUESDAY

Our speaker was supposed to be Kathy Perini but she was suffering with a bad cold. Instead, Daniel Rodriguez with TELACU Construction Management spoke to us on the Measure S progress.

Daniel is a Senior Project Manager and has been the Bon Program Manager for the Temple City Unified School District's Measure 'S' Bond Program since 2013. He was instrumental in the planning and programming process for the current construction projects as well as future projects scheduled with the subsequent bond sales.

Daniel gave an update to the progress of the work. Temple City High School is finally constructing the new 2-story classroom building on the corner of Lemon and Temple City Blvd. As you might remember the old classrooms were demolished two summers ago. They found asbestos and a small amount of arsenic in the soil, they had to wait while that hazard was remediated. Dealing with all the government agencies slowed things down.

Cloverly modernization is almost complete. La Rosa is complete with 12 classrooms now being occupied. Longden's plans were submitted to the Division of State Architects in March 2015. They just finished with their review and submitted their review the architect. Oh, did I mention they move slow? Emperor is still in the process of replacing windows, plumbing, electrical, and HVAC. Work at the Dr. Doug Sears Learning Center is complete.

Rob Rodenbucher will celebrate a birthday this Sunday. President Barak Obama has a special gift just for him and he asked Congresswoman Judy Chu to hand deliver it. Sharon Johnson with the Blue Star Program is asking for donation of Girl Scout cookies to give to the troops overseas. Please give them to Rich Wenzel. Steve Tyre had an emergency appendectomy and is recovering well. The average age for this is 10 to 26 year-olds. The big Pancake Breakfast is fast approaching and you need to contact John Gera and let him know how YOU are going to help. Ronald McDonald Meals of Love will be conducted by the Cloverly Student Council in March and April.

Jim Robuck will be having a left hip replacement on March 1st. His doctor is from the Congress Orthopedic Group in Arcadia. His doctor has the unfortunate name of "Dr. Hack". They will do the right side in about a year.

STUDENTS OF THE MONTH

We welcomed two outstanding students from Cloverly Elementary School. Accompanying the happy students was their teacher Mrs. Yvonne Rivera and Cloverly Principal Mr. Stephen Martin Edo.

Annie is 12 years old and in Mrs. Rivera's class. She enjoys art, gymnastics, dancing, and singing. Annie said, "The best things about Cloverly Elementary are my great and kind friends that are always there for me, and the funny and nice teachers." The best thing that ever happened was when she got her own pet bunny. If she could change one thing, it would be to end bullying. Personal goals are to build a animal hospital, grow taller, learn better writing skills, and spread kindness.

Muranda is 11 years old and in Mrs. Stoke's class. She has a younger sister and enjoys softball, football, and baseball. Muranda said, "The best things about Cloverly Elementary are having Mrs. Stoke's as my homeroom teacher, the Spirit Rally's on the last Wednesday's of the month, and the awesome staff." The best thing that ever happened was when her softball all-star team made it to the state finals in Lancaster. If she could change one thing, it would be to make girls equal to boys. Personal goals are to build a company to make sports products, go to UCLA, to be a sports trainer or analyst, and be a baseball manager.
