MARCH 8, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 24

THIS TUESDAY

We recently had the Mayors State of the City, now we will hear from Superintendent Kathy Perini who will give an update on the State of the Schools.

LAST TUESDAY

We welcomes Temple City High School Key Club Lt. Governor Norman Chu. Norman has a real passion for Key Club as he is in his fourth year of service. He admits that after losing a loved one his personal life suffered, including his grades and passion. After a while his passion for even more community service was reignited.

His goal is to rebuild the Kiwanis Tree by re-establishing Builder's Club at Oak Avenue and K-Kids at the elementary schools. Norman embodies everything good about the Key Club. He has a career goal of being a Neurosurgeon or Cardiac Surgeon.

Sue Chandler sends her greetings to all members on behalf of John. Dan Snell's daughter had her purse stolen at the Camellia Festival Carnival. We had our big Pancake Breakfast last Saturday. There are no preliminary numbers yet. The helpers were Steve and Lisa Montesanti, Mike Lepore, Sue Matchett, Dan Snell, Dan Arrighi, Jim Robuck, John Gera, Matt and Cary Smith, Rich Wenzel, Jerry Jambazian, Kathy Perini, Ron Dorazio, Bill Hohl, Franklin Ruedel, Tony Euredjian, Tom McIntee, David Seltman, Jerry Backstrom, Bob Rodenbucher, Key Club President. Key Club members Norman Chu, Janis Liu, Lilly Becerra, Jane Meas, Ava Chu, and wana-be member Watson Gan.

A memorial service will be held for Kevin Fish on Friday, March 4 at 2 p.m.. Kevin was the husband of Councilmember Nan Fish. Also, with sadness we report the passing of Kathi Millham Faulkner. Kathi was the daughter of Jackie Millham and brother of Tom Millham. A memorial service is planned at the Historical Society Building this Saturday at 1 p.m.

STUDENTS OF THE MONTH

We welcomed four outstanding students from Oak Avenue Intermediate School and Cloverly Elementary School accompanied by their respective teachers, Mrs. Marta Bourjili and Mr. Alan Wong.

Victoria is 13 years old and in Mrs. Ferguson's class. She has a younger sister and enjoys volleyball, violin, and listening to music. Victoria said, "The best things about Oak Avenue are the friendly environment that produces a great place to learn, it's like a second family to me and it feels safe to be there, science this year has made me more independent and I have learned to solve problems a lot better." The best thing that ever happened was having the opportunity to meet my best friends. If she could change one thing, it would be to create a policy which forbids grocery stores and restaurants from throwing out fresh food. If she could build one thing, it would be a temporary getaway home for kids who feel physically or emotionally abused at home. Personal goals are to manage her time wisely, take things more seriously, and doing what she can to make other peoples lives easier.

Abel is 14 years old and in Mrs. Bourjeil's class. He has two older sisters and enjoys soccer, exploring, and editing photos and video. Abel said, "The best things about Oak Avenue are the staff, band, and the young talented students." The best thing that ever happened was moving to Temple City where he learned so much that made him a better student. If he could change one thing, it would be to end racism, discrimination, and put down for their race or skin color. Personal goals are to find cures and enhanced treatments for deadly diseases, become a better student every day, to live a happy life without financial status, and to be known as a good person to be respected, and make a name for himself.

Ethan is 11 years old and in Mr. Wong's class. He enjoys playing basketball, swimming, and art. Ethan said, "The best things about Cloverly Elementary are my friends, art, the teachers and Principal." The best thing that ever happened was being chosen Student of the Month. If he could change one thing, it would be to find a cure for cancer soon. Personal goals are to build a homeless shelter, get good grades, good health, and become the most kind person anyone has ever met.

Nicole is 11 years old and in Ms. Carlson's class. She has an older sister and enjoys playing tennis, cooking, and movies. Nicole said, "The best things about Cloverly Elementary are the awesome teachers, how nice the kids are at Cloverly, and history with Mrs. Rivera." The best thing that ever happened is having a loving family. If she could change one thing, it would be to build homes for people in poverty and build a library to hold all the books in the world. Personal goals are to become a professional tennis player, to be able to care for her parents, and to get a scholarship to Stanford University.
