**MARCH 15, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 25**

## THIS TUESDAY

Lt Gov. Ernie Arnold and Dave Wallach will speak about the Rose Parade Floats.

## LAST TUESDAY

We welcomed Temple City Unified School District Superintendent Kathy Perini. Kathy gave an update on the accomplishments of our award winning schools. She came dressed in her Music Man shirt promoting this year's High School's Musical at the San Gabriel Playhouse. Under the direction of Matt Byers and the Performing Arts Department, along with a superb live orchestra under the direction of Bert Ferntheil to bring Meridith Willson's Music Man to life. Kathy pointed out they are fortunate to have a live, student-based orchestra and not canned music.

Kathy is beginning her third year as Superintendent. She has been serving our District for 39 years and hopes to break the record of her father, Bill Perini (who was a honorary member) retiring with 40 years. Kathy was the natural choice for Superintendent after a stellar career at Oak Avenue and Emperor Elementary.

Kathy has made a difference at every school site by beautifying each campus and making the "Guest Experience" meaningful by using the same principals of the Disney Institute of Leadership. Campus security is a top priority and a security system will be on every campus soon with every visitor checking into the front office to make sure they have the proper identification.

Several goals are to develop a "Career Pathway" for students that do not follow a professional career or higher education. Prepare elementary students with computer coding. The buzz word now is STEAM, Science-Technology-Engineering-Arts-Math. Besides the core values of the district, creating life-long learners will fall into these categories. TCUSD is about the business of educating students for jobs that don't even exist now. All this is going to happen even when a big teachers shortage is predicted for the year 2020. Teachers do have VALUE!!!

Visiting us last Tuesday were Marie Leonard and Watson Gan. Also, Guest of the Club Michael McVey from McVey Hardware fame. Steve and Lisa Montesanti's daughter, Stephanie had an emergency appendectomy and is doing well. Thank you letters were passed around from appreciative Students of the Month from Cloverly. Also, Cloverly students performed community service by recently preparing and delivering food to Ronald McDonald House and given a personal tour by Director Elizabeth Devers. The Governors visit to the Arboretum has been cancelled. Tom Millham appreciated the help by our Key Club for his sister Kathy's memorial service. He wrote a nice card along with a \$50 donation to them.

## STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the happy students was long-term substitute teacher Mrs. Roxanne Trieu filling in for Mrs. Shelly Scanlan.

**Alex** is 12 years old and in Mrs. Geis' class. He has two younger brothers and enjoys playing video games with his family. Alex said, "The best things about Emperor Elementary are the kind staff, learning is fun, and the food is delicious." The best thing that ever happened was getting a perfect score on his CST test for Science last year. If he could change one thing, it would be to have his prescription strength go down. Personal goals are to build multiple schools in Africa so kids there can have a good education, have a successful job, have a fun family, and graduate college.

**Celine** is 11 years old and in Mrs. Scanlan's class. She has a younger brother who was on the Royal Court. She enjoys playing the flute, piano, violin, drums, and arts and crafts. Celine said, "The best things about Emperor Elementary are the clean and safe campus, the board games at recess, and the amazing teachers and staff who are always there for us." The best thing that ever happened to her is having supportive parents, her best friend Emily, becoming a pageant queen and actress. Personal goals are to build a time machine to find out about dinosaurs, get a trophy in her next Olympiad or speech and debate competition, become a pharmaceutical scientist, and volunteer as much as she can.

**Alyssa** is 12 years old and in Mr. Giangregorio's class. She has a younger brother and enjoys swimming, reading, playing cello and piano, writing stories, dancing, robotics, solving puzzles, cooking, and Science. Alyssa said, "The best things about Emperor Elementary are the teachers, the clubs and teams, and my friends." The best thing that ever happened was getting a pet cat, traveling the world with her family, winning contests, and writing a book. Personal goals are to stop world pollution, animal extinction, have peace, get her book published, face her fears of public speaking, and try new things.
