MARCH 29, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 26

THIS TUESDAY

Dr. Tony Euredjian will present a slide show of his work with teeth. He will also present one of his success stories, Carlos Valle.

LAST TUESDAY

We welcomed guests Mike McVey, Frank Deckon, and Marie Leonard. Frank announced that Troop 161 will celebrate their 95th anniversary this Fall. Congratulations to Dan Snell who celebrated his 95th birthday with us. He received a birthday card and a free lunch. It is my birthday on Friday. I will be 72 and I have many offers to take me to Chipotle for one of their cleansing lunches. Jim Robuck is recovering well and checked in with us via iPhone with his leading us in a patriotic song. Other news, Hometown Buffet and gone Chapter 11 on all 173 restaurants, Office Depot might be a thing of the past in Temple City and Kohl's will be closing at Huntington Dr and Rosemead Blvd on June 19. Can we really believe that the economy is getting better?

Sue Matchett introduced Colleen McKay with the Los Angeles County Los Angeles County Department of Parks and Recreation since 1999. She began as a volunteer at San Dimas Canyon Nature Center. I have worked at several nature centers within Los Angeles County system. She has worked at facilities in the recreation division in East Los Angeles, Sylmar, and San Gabriel Valley. Colleen attended Pasadena College, majoring in Administration of Justice and Anthropology, California State University - Los Angeles Criminal Justice Anthropology and Archaeology, University California - Los Angeles Archaeology, Currently completing a Field Biology Certificate. She is involved with Mountain lion issues as well as Urban Wildlife.

Sue recognized Colleen as a former 8th grade student she had at Durfee Elementary School in El Monte. Colleen did not talk about bears, but focused her talk on the P-22 mountain lion at Griffith Park, coyotes, and raccoons. Coyotes are members of the dog family, they are curious, adaptable, and learn quickly. With the drought, many are coming down from the mountains in search of food and water. If approached by a coyote, don't run. Wave your arms, make noise and walk toward the coyote until he retreats. Be "Big, Bad and Loud". In other words just be a normal Kiwanian.

Remember: Don't feed Coyotes, remove attractants, supervise your pets, keep coyotes wary, and appreciate them because they help keep ecosystems vital, healthy and clean.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the happy students was their teacher Mr. Dan Ferguson.

Cloe is 12 years old and has a brother and sister. She enjoys making bracelets by hand. Cloe said, "The best things about Longden Elementary are the teachers that read to us, doing art, and I like my seat partner." The best thing that ever happened was getting a iPad from her aunt and uncle. If she could change one thing, it would be to find the \$20 she lost. Personal goals are to build a castle to live in, bring up her reading level, become an A student, and be an awesome cook.

Jaecen is 12 years old and has a 2 year-old brother. He enjoys playing Xbox and reading. Jaecen said, "The best things about Longden Elementary are the school is near my house, the teachers are good, and I get to learn science." The best thing that ever happened was improving since coming to Longden. If he could change one thing, it would be to have better eating habits. Personal goals are to learn different languages, improve his handwriting and grades, and to become a better person.

Michael is 12 years old and has three brothers. He enjoys studying history and science, playing soccer and creative video games. Michael said, "The best things about Longden Elementary are that everyone is included, the fun activities, and the teachers are good and caring." The best thing that ever happened was coming to Longden. If he could change one thing, it would be to teach everyone to have more kindness and be positive. Personal goals are to build a house for homeless people through Habitat For Humanity, to invent something great, finish college, and become a good role model.
