APRIL 11, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 28

## THIS TUESDAY

Come and enjoy lunch with other members and guest and talk about anything on your mind. The Board agreed to have programs only on the first and third Tuesdays of the month. Surely, our members must know someone who would be a good program. We only need two a month.

We will induct new member Alison Ngo into the club. We will also welcome Emperor Students of the Month.

## LAST TUESDAY

The Kiwanis One Day event last week was attended by Jim Robuck and Cindy Vance. President Steve Montesanti announced a new format for the drawing. If you are lucky enough to pick the winning card you will not know what you won until you consult Steve.

Helen Marston returned from a ski trip to Lake Tahoe with her son Dillon. My favorite skiing joke is: "We have good news and bad news. The good news is there is 3 feet of snow. The bad news is there is 4 feet of rock."

Mike and Judy Lepore announced they will be great grandparents in October. Congratulations!!

Bob Rodenbucher has tickets for the Sportsmen Club Fish Fry on May 6. If you don't feel like fish then you can go the Temple City Schools Foundation Fundraiser, also on the same day at Tired Iron Works in Monrovia.

The Altadena/Crown City Kiwanis Club will hold their annual Good Friday Breakfast this year on April 14. The breakfast will be at Altadena Baptist Church, 791 E Calaveras St. Time: 7:30 to 9:00 a.m.. Cost: \$7.00, Speaker: Senior Pastor Greg Waybright from Lake Avenue Church. RSVP: 797-8970

San Gabriel Kiwanis Club will hold their annual Eggstraordinary Spring Celebration Pancake Breakfast. The event takes place on Saturday, April 15 at Smith Park.

## STUDENTS OF THE MONTH

We welcomed two outstanding students each from Temple City High School, Cloverly Elementary School, and Oak Avenue Intermediate School. Accompanying the students was TCHS-Aaron Chang, Oak Avenue-Marcel Ferguson, and Stephen Martin Edo and Krista Carlson from Cloverly.

**Samuel** is 15 years old and in Mr. Jose Marquez class. He has an older brother and sister and enjoys playing football and staying in shape. Samuel said, "The best things about TCHS are the great academics, the support of all the athletic teams, and the great teachers." The best thing that ever happened was all the new experience and opportunities by joining the football team. If he could change one thing, it would be to attend a larger school and seeing new faces. Samuel would like to build a large house by the ocean. Personal goals are to earn a football scholarship, make it to the NFL, and to repay his parents for everything they have done for him.

**Unique** is 15 years old and in Ms. Wenni Seidell's class. She has an older brother and enjoys art, animals, and music. Unique said, "The best things about TCHS are the great teachers, sports, and environment." The best thing that ever happened was getting her Disneyland pass. If she could change one thing, it would be to stop bullying. Personal goals are to get good grades, go to college, and become a veterinarian.

**Jocelyn** is 11 years old and in Ms. Carlson's class. She has two sisters and enjoys music, sports, math, and learning languages. Jocelyn said, "The best things about Cloverly are the electives, coding, art, math class, the nice teachers and staff." The best thing that ever happened was being chosen a student of the month. If she could build one thing, it would be a machine that could control other people's actions because some people are not kind to each other. Personal goals are to do better in school and get straight A's, become neater, and improve her handwriting.

**Angela** is 11 years old and in Mrs. Stoke's class. She enjoys shopping, sleeping, reading, writing, watching YouTube videos, and attempting to sing when no one is watching. Angela said, "The best things about Cloverly are the great technology to motivate our thinking, the dedicated and superb staff, and all the special and appreciated friends I have." If she could change one thing, it would be to end animal abuse because they deserve a caring owner. The best thing that ever happened was seeing a bunch of micro pigs, because I love pigs. I got to carry, pet, and feed them. If she could build one thing, it would be a gigantic greenhouse. Personal goals are to learn how to cook, become a professional chef, stop procrastinating, get into the habit of studying so she can get into a good university, and have a good life.

**Thomas** is 13 years old and in Mrs. Gloria Autran's class. He has an older brother and enjoys playing the piano, drawing, and studying. Thomas said, "The best things about Oak Avenue are the nice teachers, the abundance of classes, and the great educational experience." The best thing that ever happened was being able to experience new things and travel the world. If he could change one thing, it would be the computerized testing in middle school. If he could build one thing, it would be a machine that can generate unlimited amounts of electricity. Personal goals are to get into honors class, get good grades in high school and college.

**Vivian** is 13 years old and in Mrs. Marcel Ferguson's class. She has an older sister and enjoys swimming, dancing, and crafting. Vivian said, "The best things about Oak Avenue are the many extracurricular opportunities, the staff, and friendly environment." If she could change one thing, it would be the unequal wealth and food distribution. Personal goals are to build a machine that can extract oil from the ocean, to journal more, take more time to do the things she loves, and spend more time with her family.
