APRIL 26, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 30

## THIS TUESDAY

Elizabeth Devers with the Ronald McDonald House will give an update on the important service they provide, and the help we give them.

## LAST TUESDAY

Dr. Ted Merchant is a member of the Live Steamers for the past thirty years. He was born and raised in Pasadena and a retired Ob-gyn that has delivered about 7,000 babies and performed 20,000 surgeries. His father was a Kiwanis member.

If a steam locomotive is pulling your train, you will notice that the engine has a fire, smoke, and is actually running on steam. The steam locomotives may be burning coal, fuel oil, or propane. The typical locomotive operates with about 120 pounds of steam pressure. Just like the full-sized engines, our steamers use lots of water and require constant maintenance and attention. The water used in the steam engines is specially treated by their water treatment system.

As you look around the facility at Griffith Park, most everything you see, including the trains, were built by members of the Los Angeles Live Steamers Railroad Museum. They even planted the trees and the grass. The money to pay for the materials came from donations and through fund raising from the members and local businesses. The railroad is constantly being improved and enlarged.

On Wednesday, May 4 after a two month break provided by Cloverly Elementary School we will again become Angels of Mercy again for Ronald McDonald House. The theme is turkey with Bob Rodenbucher and Matt Smith providing the Main Dish, Salad by Dave Seltman and Sue Matchett, Bread by Rich Wenzel, Drinks by Steve Montesanti, and Dessert by John Gera and Ron Dorazio.

Thank you to Temple City for recognizing us so well at the Volunteer Appreciation Luncheon on April 16. Those being fed well and walking away with gifts were Steve and Lisa Montesanti, Jim Robuck, Sue Matchett, Rob Rodenbucher, and Jerry Jambazian. St Luke's Fiesta is this weekend from Friday to Sunday. The booth that we are sponsoring is near the middle. Look for our sign.

Bob Rodenbucher has tickets for sale to the Temple City Sportsmen Annual Fish Fry. This is a great event that serves a great fried or baked fish dinner. The event takes place on Saturday, May 14 at the Arcadia Community Center. Tickets are \$15 each with children under 12 for free. I have attended many times and the food and fun is really good. You just might win a prize.

Jim Robuck is recovering well from hip surgery. Matt Smith came home from the hospital trying to rest his leg and take some heavy duty medicine. Bill Hohl has been released from the Santa Anita Convalescent Hospital to the delight of the staff. We hope to have Mr. Happy back with us soon.

The infamous duo of "I'm Workin On It" Mike Lepore and Sue Matchett are about to announce the stellar group that will lead us on October 1, 2016. They are waiting for the results of their physical.

Public School's Recognition Night will take place again at Emperor School on Tuesday, May 2 from 6:30 to 7:30 p.m.. We need about 6 members do help barbecue hot dogs. All you need to do is wear your Kiwanis shirt and show up at 5:45 p.m.

## STUDENTS OF THE MONTH

We welcomed two outstanding students from the Dr. Doug Sears Learning Center. Accompanying the happy students was DDSLC teacher Mrs. Dolares Lopez.

Jose is 15 years old and in the 10th grade. He has an older sister and enjoys reading comics, Star Wars, playing video games and soccer. Jose said, "The best things about the DDSLC are having helpful teachers, the teachers, and environment." The best thing that ever happened was coming to the Learning Center. If he could change one thing, it would be to continue playing soccer. Personal goals are to build a skyscraper, get a good job, get through school, and have a wife, family, and kids.

Ingrid is 16 years old and in the 11th grade. She has a younger brother and enjoys hiking, sleeping, and eating. Ingrid said, "The best things about the DDSLC are that it is easy and fun, full of opportunities, independent study, and more intimate." The best thing that ever happened was getting a job. If she could change one thing, it would be the way society puts down or doubts how much women can do. Personal goals are to build homeless shelters for Los Angeles, catch up on her credits, hours, finish school, buy a car and go to San Francisco.
