**MAY 24, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 34**

## THIS TUESDAY

Ron Dorazio promises to have a surprise program for us. Maybe it will be watching someone win close to \$500 in the opportunity drawing. AKA gambling.

## LAST TUESDAY

Jimmy Weldon (born September 23, 1923) is an American voice actor, ventriloquist, and former television host.

He is best known as the voice of the Hanna-Barbera cartoon character Yakky Doodle the little Duck and the host and ventriloquist in the locally produced television series "The Webster Webfoot Show."

Born Ivy Laverne Shinn on September 23, 1923, in Dale, Texas, he began his career in 1946 as a disc jockey at KWCO, the radio station which began its operations shortly after he returned home following WWII. He was the first announcer hired at this new radio station.

While there, he developed a character named Webster Webfoot, a little duck who visited him while Jimmy was playing record requests from listeners calling in. Often they just wanted to talk to little Webster. They thought Webster was someone other than Jimmy, and so he became an important part of Jimmy's disc jockey presentations.

The photo to the right is at the Sportsmen Fish Fry. It was good to see former member Chuck Shaw there along with Pam. Chuck looks like he is doing well. Do you feel lucky? There are only five cards remaining for the 50/50 drawing. The pot will be close to \$500 which could put you into another tax bracket. The joker will be one of the three cards we hope. Do some of you oldtimers remember when there were three cards remaining and Walt Shatford has both numbers and still could not win the jackpot. Which raises the question. What happens if only the joker is remaining?

Rich Wenzel is announcing the Ronald McDonald Meals of Love schedule for Wednesday, June 1st. The theme is beef with the Main Dish by Matt Smith and Steve Montesanti, Salad by Rich Wenzel and Bob Rodenbucher, Bread by John Gera, Drinks by Ron Dorazio, and Dessert by Dave Seltman and Sun Matchett.

Some news items include Tom McIntee celebrating eight years of membership. Key Club chaperones will now be required to have a background check. Mike Lepore reports that we have no program chairmen for June and July. Division 10 has a project to obtain slightly used bikes for poor families. So far the Pasadena police department is donating around 19 bikes with more to come. Lt. Gov. Ernie Arnold is trying to get a grant from the Kiwanis International Foundation for \$3,000 to pay for the helmets and locks. Sell those Barbecue tickets.

We will present senior scholarships at TCHS this Wednesday morning. Members helping at the Postal Food Drive this past Saturday were Ron Dorazio, Jerry Jambazian, Rich Wenzel, Mike Lepore, Steve Montesanti, 5 Key Clubbers and 1 Scout. Everything was going great until United Way and Foothill Unity Center got into a custody battle. We received a thank you letter from Supt. Kathy Perini for our donation of a sign to the Dr. Doug Sears Learning Center. Don't forget the Grilled Cheese tasting party this Sunday at the Montesanti's at noon.

## STUDENTS OF THE MONTH

We welcomed two outstanding students from the Dr. Doug Sears Learning Center. Accompanying the happy students was DDSLC Counselor Mr. Raul Acevedo.

**Marina** is 17 years old and in Mr. Rios' class. She has a younger sister and enjoys listening to music, drawing, and hanging out with her boyfriend. Marina said, "The best things about the Learning Center are the amazing teachers, the art classes, and the teachers that sit with you one-on-one and help you." The best thing that ever happened was moving to Los Angeles from Tulare with her father. If she could change one thing, it would be more positives and less negatives. Personal goals are to build a store with her own clothing line, become a tattoo artist, graduate high school, marry her boyfriend, and have a family.

**Raeleen** is 17 years old and in Mr. Rios' class. She has three older sisters and enjoys reading, sleeping, and hanging out with her friends. Raeleen said, "The best things about the Learning Center are the teachers that really care, and it's like a big family there." The best thing that ever happened was when she became an aunt. If she could change one thing, it would be the fact that some families have to sleep alone in the cold each night. Personal goals are to build a home for struggling women with no help that have kids, to graduate from high school, be able to have her mom taken care of financially, and to raise a well-respected family.
