SEPTEMBER 20, 2016 TUESDAY 12:00 P.M. VOL. 77 NO. 51

THIS TUESDAY

Connie Frank will speak about abused and neglected children.

LAST TUESDAY

Lizanne Fleming is the Director of Communications for the Children's Institute. They serve Los Angeles's most vulnerable children—those harmed by family and community violence, or coping with the challenges of poverty. Though CII's focus has shifted and deepened over the years, the organization's commitment to serving vulnerable children in the Los Angeles community has remained steadfast for more than a century.

Founded in 1906 by Minnie Barton, the city's first female probation officer, the original organization (then named The Big Sister League) was designed to help troubled young women who found themselves adrift in Los Angeles. Minnie Barton established the Minnie Barton Home for these young women, and later, the Bide-A-Wee Home for unmarried pregnant women.

Changing social conditions in the 1960s and '70s meant that more young unmarried women were choosing to raise their children rather than opting to give them up for adoption. As a result, the League's services were modified to meet the new need and the organization's center-based and community-based child-care programs were launched.

Installation of officers will take place at El Ruizeñor Grill, 5818 Temple City Blvd. The event will take place on Tuesday, September 27 with a social hour beginning at 6 p.m.. You will want to be there to see Steve go for the 4th time around. Steve warns the venue could change so stay tuned. Steve is getting ready by vacationing in Hawaii.

STUDENTS OF THE MONTH

We welcomed our first students of the new school year from Emperor Elementary School. Accompanying the happy students was eighteen-year Emperor teacher Mrs. Shelly Scanlan.

Sophia is 11 years old and in Mr. Giangregorio's class. She has two sisters and enjoys reading, art, sports, and singing. Sophia said, "The best things about Emperor Elementary are the amazing teachers, library, and lessons." The best thing that ever happened was coming to Emperor School. If she could change one thing, it would be to stop the world from fighting. Personal goals are to build a school for the poor, become an artist, librarian, or singer.

Renee is 11 years old and in Miss Henderson's class. She has an older brother and enjoys ballet, baking, drawing, ice skating, gymnastics, acrobatics, singing and playing the guitar. Renee said, "The best things about Emperor Elementary are the good lunches, teachers, and tailgating." The best thing that ever happened was receiving this award. If she could change one thing, it would be to become smarter, stronger, braver, and more confident. Personal goals are to build a bridge, get good grades, read more books, and achieve the AR goal.

Lukas is 11 years old and in Mrs. Scanlan's class. He has three older brothers and enjoys playing video and board games with his brothers. Lukas said, "The best things about Emperor Elementary are the nice teachers, recess, and the silent reading time in the morning." The best thing that ever happened was going on a cruise to Alaska. If he could change one thing, it would be to have more time to eat lunch. Personal goals are to build a teleporter, reach an even higher reading level, go to college, and get good grades.

Jeremy is 11 years old and in Miss Trieu's class. He has three brothers and enjoys programming, reading, music, and game development. Jeremy said, "The best things about Emperor Elementary are my nice teachers, all the cool and fun after school activities, and the ten rating online." The best thing that ever happened was getting into robotics. If he could change one thing, it would be the age restriction to go to Mars. Personal goals are to build a universal internet tower, learn to write with his left hand, to be a better designer and programmer, and to go to Cal Tech.
