NOVEMBER 1, 2016 TUESDAY 12:00 P.M. VOL. 78 NO. 5

THIS TUESDAY

Matt Smith will bring us an update on his niece's successful completion of the Pacific Crest Trail 2,600 mile hike.

LAST TUESDAY

Our speaker for the day was former Mayor and Councilmember Carl Blum who spoke in favor of Measure AA. The buzzwords today in politics are Accountability and Transparency. Measure AA strengthens what was already strong. Term Limits seem to be the big issue by extending the current two four year terms. The measure would allow for four year terms with a maximum of sixteen years. There are 481 cities in California with 379 not having term limits.

With the goal of continuing good governance, Carl is in favor of a yes vote on Measure AA. There are many new projects on the table now including the K-Mart shopping center, and Las Tunas Drive revitalization. Experience is what is needed to make sure these projects receive knowledgeable direction.

Matt Smith is announcing the Ronald McDonald Meals of Love for Wednesday, November 2. The theme is turkey with the Main Dish by Dave Seltman and Dan Snell, Salad by Sue Matchett and Steve Montesanti, Bread by Ron Dorazio, Drinks by Matt Smith, Dessert by Bob Rodenbucher and John Gera. Food pick-up and delivery by Ron Dorazio.

We will not be meeting at Denny's on Tuesday, November 8 because our room will be used for our citizens holding their nose and voting. Remember...Yes means No. We will instead meet at the District Office at 3 p.m. for a ice cream social to welcome the new teachers in our district.

We went to Mimi's Restaurant with a friend who recently lost her husband and we saw Sue Chandler with her son Peter and his wife Wendi. Sue sends her best wishes to us as they were celebrating her birthday.

STUDENTS OF THE MONTH

We welcomed six outstanding student's from Longden Elementary School. They were accompanied by teachers Mrs. Karen Hsieh and Mrs. Diana Lam.

Lindsey is 11 years old and has four brothers and sisters. She enjoys drawing. Lindsey said, "The best things about Longden are my friends, lunch, and my teacher, Mrs. Lam." The best thing that ever happened was getting forty dollars. If she could change one thing, it would be to have saved the money. Personal goals are to build a homeless shelter, get good grades, save up for a tablet, and become good at drawing.

Eric is 12 years old and has a younger sister. He enjoys playing video games on his iPhone, and playing basketball. Eric said, "The best things about Longden are playing with my friends, lunch time, and I like my teacher, Mrs. Lam." The best thing that ever happened was when his mother surprised him with a Lego toy. If he could change one thing, it would be to make education available to everyone. Personal goals are to start his own nursery garden, improve at swimming, and become smart.

Isaiah is 11 years old and has five brothers and sisters. He enjoys playing football, video games, basketball, and playing drums. Isaiah said, "The best things about Longden are the teachers, basketball court, and the computer lab." The best thing that ever happened was when he saw his baby brother Ezra at the hospital. If he could change one thing, it would be to have a home for the homeless because it is so sad. Personal goals are to become the smartest doctor to cure cancer, play in the NFL, and get great grades this year.

Julien is 11 years old and has a younger brother. He enjoys playing soccer, and reading fantasy books for fun. Julien said, "The best things about Longden are hanging out with my friends, learning about the Egyptian culture is Social Studies, and all my teachers at Longden have been terrific." The best thing that ever happened was snorkeling on Catalina Island and seeing a Stripe Garibaldi. If he could change one thing, it would be to make our society better by not allowing drugs in our country. Personal goals are to have a donation box for families in need, to make the Honor Roll, improve his speech, and get a Toten-Chip badge in Boy Scouts.

Emily is 11 years old and has a younger brother and a one-month old sister. She enjoys art and soccer. Emily said, "The best things about Longden are having friends, respecting each other, and being a Longden Tiger." The best thing that ever happened was having all her friends and family meet Mrs. Hsieh. If she could change one thing, it would be to have everybody have a home and enough food every day. Personal goals are to get perfect grades, graduate and go to Oak Avenue, and do something amazing for our country.

Denise is 11 years old and has two younger brothers. She enjoys singing, dance, acting, modeling, running, and playing with her brothers. Denise said, "The best things about Longden are the great teachers that care for their students, and I am blessed to be a part of an excellent school like Longden." The best thing that ever happened was participating in the Southern California Pre-Teen Pageant and taking first place. If she could change one thing, it would be to help change people's mind about God, good or bad. Personal goals are to build a homeless shelter, worship God, be a good human being, have a grateful heart, remain humble, and become a Pediatrician or professional athlete.
