**NOVEMBER 8, 2016 TUESDAY 12:00 P.M. VOL. 78 NO. 6**

### THIS TUESDAY

We will NOT be meeting at the famous Denny's this Tuesday because our room will be used for election polling. Instead, we will meet at the Temple City Unified District office at 3:00 p.m. to welcome almost 40 new teachers and administrative staff.

### LAST TUESDAY

Our speaker for the day was Matt Smith who gave an account of his neice's hike on the Pacific Trail. The 2,650 miles began at the Southern border of Mexico and ended at the Canadian border near British Columbia. The 50 hikers released daily ranged elevations from sea level to 13,000 feet.

The route is mostly through National Forest and protected wilderness. The trail avoids civilization and covers scenic and pristine mountainous terrain with few roads. It passes through the Laguna, Santa Rosa, San Jacinto, San Bernardino, San Gabriel, Liebre, Tehachapi, Sierra Nevada, and Klamath ranges in California, and the Cascade Range in California, Oregon, and Washington. California is 1,689 miles long and is about 2/3 of the hike.

They fought the elements including 3 fires, temperatures ranging from freezing to 102 degrees. One good thing, they were greeted at campsites by Trail Angels. These are folks that have previously completed the hike and were there to help and encourage those making the hike.

The first person to thru-hike the entire PCT both ways in a single continuous round-trip was Scott Williamson, who completed the "yo-yo" circuit on his fourth attempt in November 2004. Williamson traveled a total of 5,300 miles in 197 days, covering an average of 35 to 40 miles per day when not in snow - an overall average of 27 miles per day. Williamson then went on to complete a second round trip on November 28, 2006, cutting two weeks off his 2004 time. The youngest person to hike the trail is Christian Thomas Geiger, who at the age of 6 completed the 2686 mile trail with his parents Andrea Rego and Dion Pagonis. Christian, also known by his trail name Buddy Backpacker, is also the youngest person to hike the Appalachian Trail.

We will not be meeting at Denny's on Tuesday, November 8 because our room will be used for our citizens holding their nose and voting. Remember...Yes means No. We will instead meet at the District Office at 3 p.m. for a ice cream social to welcome the new teachers in our district.

On behalf of Friends of Foster Children Bob and Carole Rodenbucher are announcing The Sugar Plum Trees. Starting on the Friday after Thanksgiving FOFC sets up Christmas trees in the Westfield Santa Anita mall in Arcadia. These trees are filled with Christmas wishes from over 400 individual foster children and 10 residential treatment centers. Each child will receive at least one of the gifts they request. Many children comment that this is the first time in their life they have received a new Christmas gift they have wished for. It is heart warming to see the generosity people have for children they have never met. This is truly the magic of Christmas! Please contact Carole for volunteer times at 626-285-2030.

Tony Euredjian was smiling at the prospect of more patients. He thought other communities were importing trick-or-treaters to Sierra Madre. Cloverly Principal announced they would be providing meals for Ronald McDonald House for March and April.

### STUDENTS OF THE MONTH

We welcomed two outstanding student's from Cloverly Elementary School. They were accompanied by Cloverly Principal Mr. Stephen Martin Edo and teacher Mr. Allen Wong.

**Natalie** is 11 years old and in Mr. Wong's class. She has a younger brother and enjoys reading and playing basketball. Natalie said, "The best things about Cloverly are the amazing teachers, wonderful staff, the best Principal, and my awesome friends." The best thing that ever happened is having the best family anyone could ask for. If she could change one thing, it would be to stop all wars and have world peace. Personal goals are to build a device to eliminate all the pollution in the atmosphere, to do well in school, become better at chess, and to be able to go to UC Berkeley to study computer science.

**Julie** is 11 years old and in Ms. Tenney's class. She has an older brother and enjoys swimming, baking, and tennis with her brother. Julie said, "The best things about Cloverly are my wonderful friends and teachers that care for and help me, along with the fantastic staff." The best thing that ever happened was going on vacation with her best friends and their families to Italy and Alaska. If she could change one thing, it would be to have homes to protect people in the worst weather. If Julie could build one thing, she said "It would be a huge sand castle to represent that even strong things start to fade, so hold on to it dearly." Personal goals are to make the tennis team, don't put anything to waste, instead, give it to someone who needs it.
