DECEMBER 6, 2016 TUESDAY 12:00 P.M. VOL. 78 NO. 10

THIS TUESDAY

Camellia Festival Director Dawn Tarin will preview the 2017 Camellia Festival and Parade. We will all find out Tuesday. We will also have an all-time first with Students of the Month from TCHS.

LAST TUESDAY

Our new Lt. Governor Mario Manzano made his official visit and welcomed our newest member, Helen Chen Marston. Mario has been a Kiwanian since 2002 from the Rosemead club. He serves as a facilitator at the Lincoln Training Center in South El Monte. Mario had been suspended from the same high school twice. He had his Kiwanis "ah-ha" moment from a Kiwanis Advisor.

The average Kiwanian is between 50-70 years old with membership on the decline except in Asia. He volunteered for the Lt. Governor position when no one stepped up to replace 4-term Lt. Gov. Ernie Arnold. If Mario had not said yes then our Division would be taken over by Division 35. Mario has changed his mind about support of the Rose Float. He is in favor of the world-wide exposure along Colorado Blvd.

Matt Smith has set Wednesday, December 7 for Meals of Love for the Ronald McDonald House. The theme is beef with the Main Dish by Ron Dorazio and Matt Smith, Salad by Dave Seltman and Dan Snell, Bread by Bob Rodenbucher, Drinks by John Gera, Dessert by Sue Matchett and Steve Montesanti, with Bob being the driver.

Steve would like you to sign-up to serve food to the Kiwanis youth who will be helping decorate the Rose Parade Floats. This is the largest service project in the world at the Rosemont Pavilion. Mark your calendar for our club Christmas Party on Tuesday, December 20 at the Old Spaghetti Factory in Duarte. Attitude adjustment hour from 6 to 7 with dinner of your choice from the menu at \$20 per.

WELCOME HELEN CHEN MARSTON

Helen lives in Temple City with her husband Larry. They have a 21 year-old son, Kelvin who is currently serving in Europe in the United States Navy, and a son 9-year old son Dillon who is a student at Emperor Elementary School. Helen serves as a Planning Commissioner and her husband serves on the governing Board of Temple City Unified School District.

Helen was born in China, graduated from Peking University, immigrated to the United States in 1994. She earned her M.B.A. from Cal State L.A. while simultaneously managing an Import business. Helen began her Real Estate career in 2009 and has since constantly honed her customer service business model.

In her spare time Helen enjoys Travel, Music, Reading, and Cooking. She has indicated that she would like to serve our club in Community Services, Youth Services, Education, Fund Raising, and Programs. Her goal as she serves, is to have Kiwanis become the leading organization that has a great impact on youth.

STUDENTS OF THE MONTH

We welcomed three outstanding students the Longden Elementary School. They were accompanied by their teacher, Mr. Dan Ferguson.

Faith is 11 years old and has an older sister. She enjoys playing the piano, arts and crafts, and taking care of her rabbit. Faith said, "The best things about Longden are the kind and caring teachers, the many privileges for students, and staff are always making an effort to help us learn." The best thing that ever happened was adopting her pet rabbit Snowy. If she could change one thing, it would be to make guns illegal. Personal goals are to build a sanctuary in Africa, to try her best and make a good effort, to not only please myself, but people around her, and be a famous artist and travel the world.

Lauren is 11 years old and has three brothers and sisters. She enjoys playing the piano, guitar, tennis, and making arts and crafts. Lauren said, "The best things about Longden are my friends, the education we receive, and the friendly staff and teachers." If she could change one thing, it would be to end world hunger and keep families from starving. Personal goals are to harness energy for cars, to become superior in math, master her musical instruments, and become better at tennis and basketball.

Nicholas is 11 years old and has a younger brother. He enjoys video games, basketball, reading, and television. Nicholas said, "The best things about Longden are the variety of books in the library, the nice teachers, and big campus." The best thing that ever happened was getting his laptop computer. If he could change one thing, it would be to make chocolate healthy. Personal goals are to build a car that could fly faster than airplanes and run on nuclear power, receive the Presidential Award, go to M.I.T. or Cal Tech, and get a basketball contract.
