DECEMBER 13, 2016 TUESDAY 12:00 P.M. VOL. 78 NO. 11

THIS TUESDAY

Frank Ruedel will talk on one of several topics which we don't know about.

LAST TUESDAY

New member candidate Dawn Tarin was our speaker for the day. Dawn is entering her second year as Camellia Festival Chairman.

The Festival began the same year I was born. The theme of the Festival this year is "Chase Your Dreams" submitted by a Giani Camera. Temple City graduate and newscaster Eric Rosales is the Grand Marshal followed by the National Little League champions as Honorary Grand Marshal's.

In 1944 a contest was held by the Women's Club of Temple City to choose a flower and a slogan for this community. Mrs. Ralph Saunders submitted the winner, "Temple City Home of Camellias". In 1945 Mrs. Dan Crowley, President of the Women's Club originated the idea that the slogan should be put to work. At her suggestion and with the help of Mrs. Loverne Morris, Sharon Ray Pearson, then eight months old, was crowned Queen and rode in an open car down Las Tunas Drive as a handful of Camp Fire Girls gave out Camellia blossoms to pedestrians.

The date of the Festival is always the last full weekend in February. The dates are February 24-26, 2017.

We welcomed Guest of the Club Dawn Tarin. Matt Smith has the look of a winner as he choose the joker. He came into \$133 with Tom McIntee looking on, not having to do anything and picking up a cool \$133 also. This Tuesday is the last day to give a tip to our server Victor for serving us so well throughout the year.

STUDENTS OF THE MONTH

We welcomed two outstanding students Oak Avenue Elementary School and two from Temple City High School. They were accompanied by Oak teacher and soon-to-be new mom Marta Bourjeili and TCHS Vice Principal Arron Chang.

Kevin is 14 years old and has four brothers and sisters. He enjoys playing soccer, reading, and watching Star Wars with his dad. Kevin said, "The best things about Oak Avenue are the Mavericks are the best team at Oak, the school is full of great and amazing teachers, and it's fun to attend." The best thing that ever happened was meeting his best friend Joey in the 1st grade at La Rosa Elementary School. If he could change one thing, it would be to get rid of racism. Personal goals are to build a teleporter so he would never be late, get good grades, be a better person, and find a career he would enjoy.

Caren is 14 years old and has an older brother. She enjoys design, doodling, calligraphy, cooking, and journal keeping. Caren said, "The best things about Oak Avenue are the incredible variety of activities, clubs and electives, the teachers and staff that are always willing to help, and the student body that listen to the students complaints." The best thing that ever happened was when she put smiles on kindergartener's faces while helping them with numbers and the alphabet. If she could change one thing, it would be to give people with an unfortunate life a second chance. Personal goals are to build a homeless shelter, start meditating, begin bullet journaling, and design a poster or banner.

Taylor is 18 years old and in Mrs. Deanne Sciarrotta's class. She has two brothers and enjoys coloring, painting, and drawing. Taylor said, "The best things about TCHS are my teachers, friends, and Ms. Kidd's art classes." The best thing that ever happened was when her baby brother was born. If she could change one thing, it would be not tearing her ACLS and being able to still play soccer. Personal goals are to build her own company that sells athletic wear, travel the world, to be healthy, and graduate college and become an elementary school teacher.

Xiao is 17 years old and in Miss Martinne Gonzalez' class. She has a younger sister and enjoys running, hiking, ice-skating, and exploring different cities and their cultures. Xiao said, "The best things about TCHS are the educational opportunities, close-knit group, and the supportive counselors, teachers, and staff." The best thing that ever happened was when her parents moved to Temple City, it enabled her to boost her self-confidence and enabled her to become who she is today. If she could change one thing, it would be people's perception of themselves and to be more positive. Personal goals are to build a teleportation device to visit places in short periods of time, learn how to cook, become fluent in Spanish, and get a M.D. and a Ph.D.
