DECEMBER 20, 2016 TUESDAY 12:00 P.M. VOL. 78 NO. 12

THIS TUESDAY

Denny's does not do Italian well so we won't be meeting there on Tuesday. Instead, we will be having our annual Christmas Party at the Old Spaghetti Factory in Duarte. We will meet in the High School room. Three choices for dinner; baked lasagna, chicken marsala, and chicken alfredo at the rate of \$20 per copy. Social at 6 with dinner at 7.

LAST TUESDAY

Sue Matchett spoke at the Altadena Crown City Club on Revolutionary wives. Honorary member Lisa Montesanti joined our meeting. We welcomed back Dan Snell from his trip to Texas and the Walk of Heroes War Memorial in Georgia. Our club presented our Denny's server Victor with over \$250 as a thank you tip for the year. Frank Ruedel was our speaker for the day. He is an enrolled agent specializing in taxes. I was not given his bio so this is what I know: He is married with children, he is a Veteran, graduate of Temple City High School.

Matt Smith is announcing Ronald McDonald Meals of Love for Wednesday, January 4. The theme is Casserole with Bob Rodenbucher and John Gera, Salad by Ron Dorazio and Matt Smith, Bread by Sue Matchett, Drinks by Steve Montesanti, Dessert by Dave Seltman and Dan Snell. The driver is Matt Smith.

STUDENTS OF THE MONTH

We welcomed ten outstanding Students Of The Month. Eight from Emperor and two from Cloverly. Accompanying the students was Emperor teachers Mrs. Roxanne Trieu and Miss Lacey Henderson. From Cloverly was Principal Stephen Martin Edo and teacher Mrs. Yvonne Rivera.

Javier is 11 years old and in Mrs. Trieu's class. She has a younger brother and enjoys playing soccer, baking, math, hiking, reading, and playing Fifa 16. Javier said, "The best things about Emperor are the sweet teachers that help me to become smart." The best thing that ever happened was when his brother was born. If he could change one thing, it would be to help kids that make mistakes and help them to become smart. Javier would like to build a huge soccer stadium. Personal goals are to become a pro soccer player, help people in need, and to be good at baking.

Keerthana is 11 years old and in Mr. Giangregorio's class. She has a younger sister and enjoys doing Bharatanatyam (a type of Indian dance), and singing in her dad's Indian musicals. Keerthana said, "The best things about Emperor are my teachers, Mr. G, Mrs. Scanlan, Ms. Henderson, and Mrs. Trieu. She also likes math, the contests, fund raisers, and book fairs." The best thing that ever happened was when her sister was born, it was like magic. Personal goals are to build a museum about life, get straight A's, to always have a smile, and become a doctor.

Brianna is 11 years old and in Miss Henderson's class. She has a younger brother and enjoys reading, eating ice cream, and working in the garden. Brianna said, "The best things about Emperor are my amazing teachers, all the students treat each other kindly, and the staff are really friendly." The best thing that ever happened was when she got her iPhone. If she could change one thing, it would be to have world peace. Personal goals are to help educate students, become a pharmacist, be a fast runner, and to cook amazing food.

Elizabeth is 11 years old and in Mrs. Scanlan's class. She has an older brother and enjoys go-carting, crossfit, and performing arts. Elizabeth said, "The best things about Emperor are the staff is very kind and welcoming, it is a well-respected school, and the school encourages character traits." The best thing that ever happened was making such good friends that are always there for her. If she could change one thing, it would be to end the drought. Personal goals are to become a racecar driver and build a racecar track, go to college, get married and have kids.

Emi is 11 years old and in Mrs. Trieu's class. She has four younger brothers and sisters and enjoys playing soccer, baking, basketball, softball, volleyball, reading, singing, writing books, running, and human anatomy. Emi said, "The best things about Emperor are the safe and caring environment, the teachers and staff are always willing to help, and we have lots of opportunities to show our strengths." The best thing that ever happened was getting accepted to go on the Temple City Youth Developments Catalina Trip. If she could change one thing, it would be to provide healthcare and birthing for countries less fortunate. Personal goals are to become a OB/GYN, get into BYU or Stanford, and bring a new healthy family into the world.

Vianni is 12 years old and in Mr. Giangregorio's class. She has four brothers and sisters and enjoys playing soccer, swimming, and coloring. Vianni said, "The best things about Emperor are the clean school, great staff, and fun activities." The best thing that ever happened was getting to meet famous people. If she could change one thing, it would be to stop dangerous things in the world. Personal goals are to build a soccer theme park, play soccer all her life, get good grades, and go to a good college.

Kaitlyn is 11 years old and in Mrs. Scanlan's class. She has an older brother and enjoys ballet, singing, piano, drawing, and writing. Kaitlyn said, "The best things about Emperor are the clean campus, the awesome staff, and the great rules." The best thing that ever happened was when she became a higher-level ballet student and able to perform in a big recital. If she could change one thing, it would be her responsibility habits. Personal goals are to build a time machine, read more non-fiction books, become an author, and not messing up her feet with her pointe shoes in ballet.

Joseph is 11 years old and in Miss Henderson's class. He has an older sister and enjoys reading, playing sports, and exploring new things. Joseph said, "The best things about Emperor are learning in a fun environment, the lunch is great, and everyone is nice and super helpful." The best thing that ever happened was getting his dog. If he could change one thing, it would be to end his habit of being lazy. Personal goals are to build an animal shelter, get all A's in school, get another dog, and finish a marathon.

Valeria is 11 years old and in Mrs. Rivera's class. She has an older sister and enjoys riding her bike and learning new things. Valeria said, "The best things about Cloverly are the greatest teachers, the excellent curriculum, and it's fun and exciting." The best thing that ever happened was getting her dogs. If she could change one thing, it would be to change people's cruel actions towards humans and animals. Valeria would like to build a neurology hospital, as she would like to be a Neurosurgeon some day. Personal goals are to get straight A's in all subjects, become more confident in front of crowds, and respect and understand others more.

Hermia is 11 years old and in Mrs. Carlson's class. She has a younger sister and enjoys reading and drawing. Hermia said, "The best things about Cloverly are my science classes, the electives, and recess." The best thing that ever happened was going on the Catalina Island trip. If she could change one thing, it would be to remove all the strife in the world. Hermia would like to build a library with every book in the world. Personal goals are to become a good artist, get good grades, and a good job.
