APRIL 25, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 30

## THIS TUESDAY

We have no program on tap, so just hang out with your friends and have lunch at Denny's.

## LAST TUESDAY

Temple City Parks & Recreation provided an excellent program. Steve Lawson (6'9") is the P&R Manager. Tony Villalobos and Roman Rodriguez are Recreation Coordinators. Each one are responsible for their certain areas but they work together on all projects seamlessly.

They are responsible for Recreation and Human Services, Parks and Facilities Maintenance, Urban Forestry (Trees), Public Transportation, Teen Zone, STARS and Superstars, Youth Sports, Senior Programs, Special Events, Classes, Public Transportation, and the ever popular Concerts in the Park.

Steve, Tony, and Roman all agreed, in all the cities they have worked in nothing comes close to Temple City's programming. All of them have worked in bigger cities and they did not have the programming we have. They especially thanked the 200 volunteers providing over 6,000 hours of help. We are lucky to have quality people like Cathy Burroughs, Debbie Ingram, Rob Cruse, Steve Lawson, Roman Rodriguez, Tony Villalobos that make it all happen. The big challenge is making it happen for 36,000 residents on 19 acres.

Bob Rodenbucher has tickets for the Sportsmen Club Fish Fry on May 6. If you don't feel like fish then you can go the Temple City Schools Foundation Fundraiser, also on the same day at Tired Iron Works in Monrovia. There are three events going on at the same time, but Bob Rodenbucher pointed out that his was the only one All You Can Eat!!

The Altadena/Crown City Kiwanis Club held their annual Good Friday Breakfast at Altadena Baptist Church. Great breakfast, music, and speaker. Matt Smith, Mike Lepore, and Jerry Jambazian attended.

Cindy Vance was the secret handshake for the day. Steve Montesanti has found another winner. A new soft serve machine for our summer concerts in the park. We should be able to keep up with the demand with 3 spouts. The only problem is that it weighs about 600 pounds. Isn't there some TV show about the 600 pound ice cream machine? Whoops, I think it is about a human.

## STUDENTS OF THE MONTH

We welcomed two outstanding students the Dr. Doug Sears Learning Center. Accompanying the students was DDSLC Student Counselor, Mr. Raul Acevedo. The Learning Center will have their Annual Open House on Tuesday, May 2 from 5:30 to 7:00 p.m.. Student Recognitions and tacos!!

**Liben (Ben)** is 18 years old and has a brother and sister. He enjoys playing basketball, football, and other sports. Ben said, "The best things about The Learning Center are, everyone here is friendly and family, and this school makes me feel like home." The best thing that ever happened are the many sports tournaments, and the teams that compete against other schools. If he could change one thing, it would be to have school start later so he could sleep in. If he could build one thing, it would be a time machine to go back and have a chance to change some things. Personal goals are to study hard and attend college, take over for his father, and have a perfect family and wealthy future.

**Nathan** is 16 years old and has three brothers and sisters. He enjoys playing video games and basketball. Nathan said, "The best things about The Learning Center are my classes, the teachers, and basketball." The best thing that ever happened was meeting his principal, Mr. Chris Sewell. If he could change one thing, it would be to end world hunger. Personal goals are to have a giant business, graduate high school and college, own a big house, and take good care of his family.
