**AUGUST 22, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 47**

### THIS TUESDAY

Deputy Rick Adams will be speaking to us.

### LAST TUESDAY

Dan Snell brought his bride of 73 years. Dawn Tarin announced a yard sale at her cousins home this Saturday at 4314 Ivar from 8 a.m. to 2 p.m.. We helped Mike Lepore celebrate his 24 years of Kiwanis membership.

Kiwanis Rose Float Club of Pasadena will host a Barbeque and Rib Fest on September 2. The event takes place at La Salle High School from 4-8 p.m.. This is a fundraiser to insure that Kiwanis will have a float in the New Year's Tournament of Roses Parade. As you may know Kiwanis International has ceased funding the float that gives them worldwide recognition. Cost is \$40 by calling Craig Wallace at 909 210-3250.

Cindy Vance picked the winning joker thereby splitting the \$287 pot with Bob Rodenbucher who basically did nothing.

Sue Chandler sent a thank you note to us: "Thank you for your donation to Maryvale Orphanage in memory of my husband John. John served the children at Maryvale as their dentist for over 30 years and this donation is a thoughtful remembrance of him. Thank you for your kindness and support during the years of John's illness. Warmest regards, Sue Chandler and family."

Matt Smith is announcing the September Ronald McDonald Meals of Love for September 6. The theme is pork with the Main Meal by Bob Rodenbucher and John Gera, Salad by Ron Dorazio and Matt Smith, Bread by Dawn Tarin, Drinks by Steve Montesanti, Dessert by Dave Seltman and Dan Snell. Driver Bob Rodenbucher.

On September 21 our own Dan Snell will be honored by the LA County Fair as Temple City's Hometown Hero. A grand celebration in Dan's honor will include a community reception on The Lawn at Sheraton Hotel and a festive community parade at 5 p.m.. Please contact me at 643-9460 for more details and information for tickets.

Our speaker for the day was Michael Tang from CT Computers and Networking. He grew up in Alhambra and Temple City since 1982. He graduated from Cal State LA with a business degree and a technical degree from ITT. He has been in the computer business in Arcadia for over 20 years. His company specializes in business networking and technology, including home users. They provide proven technology & networking solutions by building strong business relationships with their clients.

Michael spoke of the pitfalls of clicking on a unknown link and then finding that all your files have been locked until you pay a ransom. As you may know I am biased with Apple having been with them since 1980. In my opinion Apple's security is better than Windows. That being said, it pays for mischeif hackers to create problems for the major portion of computer users which are Windows users. I pay twice as much for the Apple eco-system, but it is worth it because of reliability and US based support that delight in solving a problem.

### QUOTE OF THE WEEK

"I like living. I have sometimes been wildly, despairingly, acutely miserable, racked with sorrow, but through it all I still know quite certainly that just to be alive is a grand thing." - *Agatha Christie (1890 - 1976)*

I am only reporting this because it is true. We all know what PTSD stands for, but now it has taken on a new meaning, President Trump Stress Disorder. People are actually suffering from this with sleep disorders.

**See you Tuesday, Jerry**
